**64 - 67**

# Chapter 3

## Around the World

- What Is a Globe?
- Map of the World
- The Arab Countries

Come with me on a journey around the world. We will visit all continents and oceans. We will stop in Africa and Asia to visit the Arab countries... so let's go!

# Lesson 1

## What Is a Globe?

This is a picture of planet **Earth**.

The **globe** is a model of the Earth.

## Chapter 3 : Around the World

A **model** is a small copy of something else.  
This is a model of a car. It looks like a real car.

Name other models you can think of.

# Lesson 2

## Map of the World

This is a map of the world.  
The **world** is made up of land and water.

## Chapter 3 : Around the World

The land areas are called **continents**.  
The water areas are called **oceans**.

Read the names of the oceans. ?

Read the names of  
the continents.

?

How many continents  
are there?

?

# Lesson 3

## The Arab Countries

Arabs live in 22 countries.

I come from Libya.

# Chapter 3 : Around the World

I come from Syria.

I come from Saudi Arabia.

# Chapter 5

## People and Places

- People in My Neighborhood
- Places in My Neighborhood
- A Day at the Park
- The Sports Center
- A Puppet Show
- The Carpenter

Who lives in the neighborhood?

What places are found there?

Let's meet some people and visit some places in my neighborhood.

# Lesson 1

## ~ People in My Neighborhood ~

A **neighborhood** is a place where people live, work and play.

A taxi driver.

A carpenter.

## Chapter 5 : People and Places

A photographer.

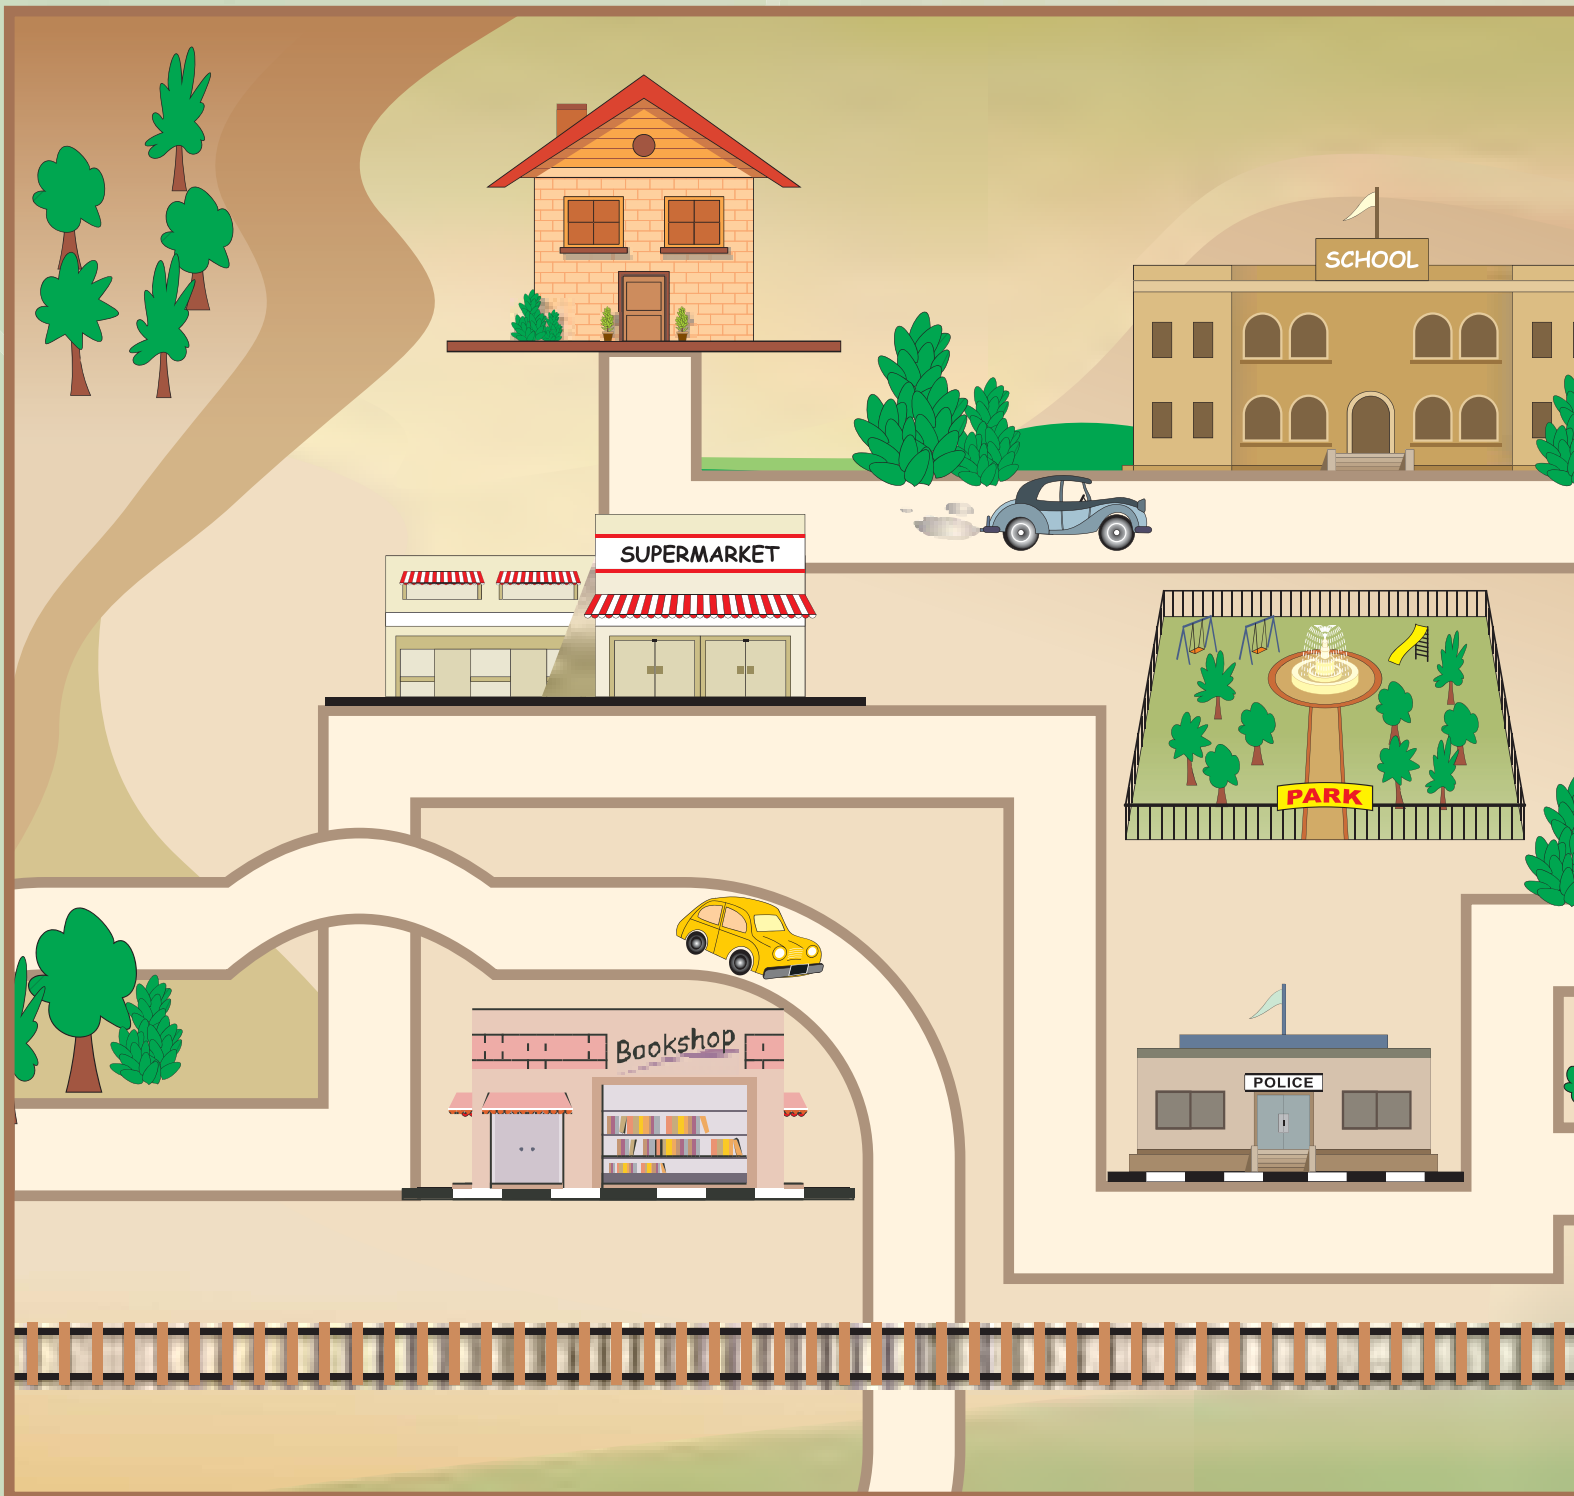

A doctor.

Think of other people at work.

# Lesson 2

## ~ Places in My Neighborhood ~

This is a map of my neighborhood.

# Chapter 5 : People and Places

Name the places you see on the map using the map key.

## MAP KEY

House

Supermarket

Bookshop

Barbershop

School

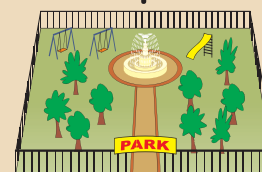

Police Station

Fire Station

Hospital

Park

# Lesson 2

These are some of the places in my neighborhood.

We buy things at the grocery store.

I go to the barbershop to get a haircut.

## Chapter 5 : People and Places

We buy bread from the bakery.

Sometimes, we go to the ice cream shop.

Think of places you see every day on your way to school.

# Lesson 3

## A Day at the Park

Things we do at the park:

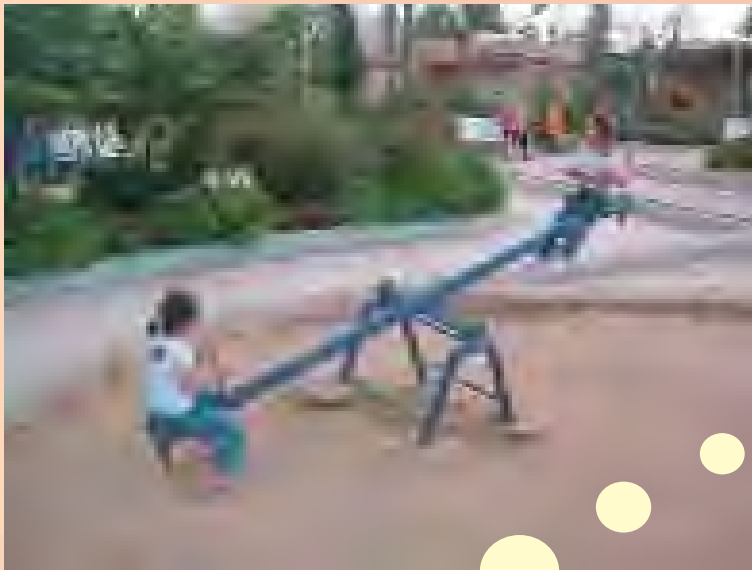

Play football.

Build castles in  
the sand pit.

## Chapter 5 : People and Places

Climb on the monkey bars.

Ride the seesaw.

I think  
swinging is the  
best of all.

# Lesson 4

## ~ The Sports Center ~

This is our coach. He teaches us the steps we should follow.

## Chapter 5 : People and Places

Tae Kwon Do makes us strong and healthy.

# Lesson 5

## A Puppet Show

There is a club for children in our neighborhood. We go there on weekends and during the summer holiday. My elder sister built a beautiful puppet house.

## Chapter 5 : People and Places

We took it to the club and invited our friends to watch a puppet show.

Think of a story about these five animals.

# Lesson 6

## ~ The Carpenter ~

The carpenter cuts wood.

## Chapter 5 : People and Places

He uses nails and a hammer to make walls and doors.
